

February 22, 1994 LB 436A, 694, 694A

of LB 694A catching up to LB 694. I think we need more and tighter regulation of gambling, not less, and this moves us forward, in my eye.

PRESIDENT ROBAK: Thank you, Senator Landis. Any further discussion? Senator Schellpeper, do you wish to close?

SENATOR SCHELLPEPER: Yes, Madam President, and members, I will get the information and we will get back to everyone. But I agree with all of the statements that were made. It's strictly from the Gaming Operations Fund and it goes to the Department of Revenue to implement some of the regulations on bingo. So I would move for 694A. Thank you.

PRESIDENT ROBAK: Thank you, Senator. The question before the body is the advancement of LB 694A. All those in favor vote aye. All those opposed vote nay. Have you all voted? Please record.

So, since she's not here to answer any questions, I will try. Her legislative aide is here to answer any questions. Other than that, I would just simply ask for the advancement of LB 436A. Thank you.

PRESIDENT ROBAK: Thank you, Senator. Is there any discussion
